**CHIP KINMAN'S FORD MADOX FORD RELEASE DEBUT FULL LENGTH
"THIS AMERICAN BLUES"
W/ HAND SILK SCREENED JACKET & CLEAR BLUE VINYL FEB 16, 2018
NEW VIDEOS AND DIGITAL SINGLES ARRIVE NOW!**

Chip and Tony Kinman have been involved in some of America's most defining moments in music during their long and storied careers. Their seminal band the Dils are regarded as one of the first and foremost West Coast punk rock acts of the late 70's and their subsequent group Rank & File helped define the entire alt-country movement and changed the definition of what we now call Americana.

2018 finds the brothers re-uniting with a glammed-blues vehicle that Chip calls Ford Madox Ford. With Chip fronting and Tony producing, co-writing and adding backing vocals, the project brings to mind V.U. meets Chicago blues at the Masque!

Two "Anti-Videos" have been produced to support the singles "Dark American Night" and "Promised." These are available to watch at our website now: porterhouserecords.com/video.html The record arrives Feb. 16.

"This American Blues" Clear Blue 12" Vinyl is now available for pre-order at porterhouserecords.com and boasts a 500 Piece Hand-Numbered Limited Edition Silk Screened cover.
